

## La Maison Ottomane

## Directions - How to reach us:

We are located in Chania's Old Town, the distinct and largely Venetian city around the old harbour.

There are three main streets into the Old Town. You should take Daskalogianni and not Halidon or Pireos. We suggest you program Daskalogianni into your GPS as your destination and proceed as follows:

- Drive almost all the way down Daskalogianni, a one-lane, one-way street lined with shops and restaurants – you pass a square on your right (with cafes, a church and what is left of a minaret).
- After 350 m you turn left from Daskalogianni, going uphill into Kanevarou.
- Our street, Parodos Kanevaro, is the 3rd right, but as it is narrow and sometimes blocked it is better to take the 4th right onto Kantanoleon Street.
- On Kantanoleon, take the 1st right then left to get back onto Parodos Kanevaro and we are at the end of the street (past the scaffolding...).

There is a parking area by La Maison Ottomane.
